Tiffany Lopez - open
Neutral Location/Home

2 hrs/week

Work on employment, housing, parenting, budgeting

Safety Threats:

1e: Caregiver caused serious physical harm to the child or made a plausible threat to cause serious physical harm, as indicated by: DRUG-EXPOSED INFANT

6: Caregiver does not, cannot, or will not meet the child's immediate needs for supervision, food, clothing, and/or medical or mental health care. Needs may be basic or exceptional

Reason for referral:

Meth Use

Drug use / Addiction

Goal/Expected Outcomes:

ENVIRONMENT: Families will secure affordable and appropriate housing, maintain a clean and healthy living environment and identify and mitigate environmental risks based on youth health and developmental stage.

SELF SUFFICIENCY: Family will demonstrate the ability to be self-sufficient by meeting the basic needs of all family members.

SELF SUFFICIENCY: Parents will obtain a legal source of income such as employment, disability, ADC, Social Security, etc.

Special Conditions:

Tiffany Mother/child tested positive for methamphetamine at birth. Baby weighed at only 3lbs at birth full term. When mother Dakota did have child left the state turned off her cell phone and when she returned, she had no stable housing and admitted to using meth as well within last three weeks. Baby has been placed outside of home placement is with a daycare director.

Tiffany has a son that was adopted in Iowa.

Payment Methods:
